

Application for Santam Graduate Programme- Newly Graduated Ferdinand Mphahle Morena

Dear Hiring Manager,

I am writing to express my interest in the Graduate Programme position at Santam, as advertised [where you found the job posting]. As a recent graduate with a Bachelor of Science in Mathematical and Computer Sciences from University Of Limpopo, I am eager to apply my academic knowledge and skills to contribute to your team and grow both personally and professionally.

Throughout my academic journey, I have developed a strong foundation in programming, which I believe align well with the requirements of the Graduate Programme role at Santam. My coursework and projects have equipped me with the ability to develop software.

Enclosed is my resume, which provides further detail about my academic background, skills, and experiences. I would welcome the opportunity to discuss how my background, skills, and enthusiasm can contribute to the success of Santam. Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you.

Warm regards,

Ferdinand
